**3. Motions**

**a. Funding for Cupper's props**

**The JCR notes that:**

This year Teddy won not one but two Cuppers awards: Spirit of Cuppers and Best Props. We won best props because we had brought some fun things, like condoms and Angel Delight and adult nappies and a snakeskin dress big enough for a power lifter. The cuppers team did this under the impression we would be refunded for it by the amalgamated clubs fund (with receipts). However, after a long tussle with OUDS about getting an invoice for the admission fee, I finally asked the fund for a refund and they told me that wasn't their job, but one for the JCR.

**The JCR believes that:**

After literally months, it would be quite nice to finally get a refund, especially as the props were so good

**The JCR resolves to:**

That £41.73 be sent to Rose Morley's bank account to refund all the props that she brought for Teddy's award-winning cuppers performance.

**Proposer:** Ethan Bareham

**Secunder:** Rose Morley

**b. £250 for cuppers semi final of soccer for beer/soft drinks**

**The JCR notes that:**

Association Football is the beautiful game and an artform.

Teddy loves the arts as a lot of our JCR motions support the arts.

As Jock Stein said 'Football without Fans is nothing' showing that fans need to be taken care of just like our high-performance athletes on the pitch. Just as they need hydration so do we otherwise our dry throats will not be able to celebrate a 40 yard thundercunt strike from Mr Soyoye.

Mr Alencar's chants are much funnier when he is intoxicated and why did we pay for a megaphone if we can't have the funniest chants.

Everyone must turn up to this crunch fixture. If asthmatic bring an inhaler.

Rugby got money for what amounted to an interclub friendly with the old boys.

SEHAFC choir will need refreshment.

Balliol are notoriously violent having a few glass bottles will allow the people of Teddy to defend themselves from this looming threat.

When we win our players may not be able to celebrate adequately if they do not receive the support of the JCR when buying beverages.

**The JCR believes that:**

We are going to Iffley and the hall loves the football.

**The JCR resolves to:**

Transfer Alexander Whitmarsh £250 for refreshments for our army of supporters when we pump Balliol in their own back yard

**Proposer:** Alexander Whitmarsh

**Secunder:** Shariz Aslam

### **c. Sleeping in the JCR**

**The JCR notes that:**

The JCR room is comfy.

**The JCR believes that:**

One should have the right to rest as they wish.

**The JCR resolves to:**

One should be able to sleep in the JCR, close the curtains without porters coming, and have the right to not be woken up.

**Proposer:** adam roble

**Secunder:** gallo

### **d. Make Ciaran Sandhu a JCR honorary member**

**The JCR notes that:**

Ciaran Sandhu sang Teddy Hall chants despite being a Queens college member on same day they lost cuppers.

**The JCR believes that:**

Ciaran Sandhu has gone above and beyond in his love for Teddy hall.

**The JCR resolves to:**

Make Ciaran Sandhu a JCR honorary member.

**Proposer:** Maurício alencar

**Secunder:** SEHAFC/ Tom Coates
