

# Teddy Hall Peer Supporters

We all have 24+ hours of training from the University Counselling Service, and are here to talk to about any problems you might have - big or small. All conversations are confidential. Please don't hesitate to get in touch, via text/email/facebook messenger, drop in sessions, or just around college :)

If you would prefer to speak to one of the lovely Mansfield peer supporters, please feel free to contact Anabel (anabel.riley@mansfield.ox.ac.uk) who can put you in contact. Alternatively, Teddy students can also attend Mansfield drop in sessions—zoom links will be on the JCR Facebook page.
